

UTexas : The unique ID # for your class is
77779 for AP C
77778 for Regents Physics pd 4
77777 for Regents Physics pd 8.

Log onto the Student FAQs: <http://cns.utexas.edu/quest/support/student>
The follow the instructions that look like the following:

Off Campus Student Enrollment

- Obtain the unique number of your course above.
- If you have not already done so in another class, obtain a UT EID by going to <http://www.utexas.edu/eid> and clicking on [Get a UT EID](#). *Note: If you give the EID system bogus information, you may not be able to retrieve your EID nor the password in the future. If your email address changes, you need to return to this URL and correct it. **NEVER obtain a second EID.***
- No you are ready to enroll in your TZ class. Log into <http://quest.cns.utexas.edu/student>
You will be sent to the EID system for your EID and password, then redirected back to us. If the redirection doesn't work, type in the URL again: <http://quest.cns.utexas.edu/student>
- Click the arrow beside "Get Started"
- Make sure that the "Hello" in the upper right-hand corner has your name.
- Under the MY COURSES tab, choose "ENROLL IN NEW COURSE"
- Supply the unique number in the box from the class number I gave you above and choose "LOOKUP COURSE INFO"
- Select the appropriate course (if more than one option) and choose "REQUEST ENROLLMENT"
- I will then get an email and have to approve your request before you can proceed in the course. I will do this by the next school day.
